Rl 61-24-22

SIR,

In forwarding herewith a copy of the draft bye-laws for regulating the grant of licenses for sale of tobacco in the Mysore City, I have the honour to state that the question of improving the Octroi revenue of the Municipality from tobacco has long been under the consideration of the Council. This article is one which it is easy to smuggle and there is reason to believe that considerable quantities of it are illicitly brought in from Paschimavahini and other places on Mysore-Bangalore Road. No efficient control over the import of tobacco can be established until the vendors in the City, big and small, are required to take out licenses and maintain accounts of receipt and sale which could be inspected by the Octroi Staff. Necessary draft bye-laws (on the model of Bangalore City bye-laws) were accordingly prepared and published in three successive issues of the Mysore Gazette dated 21st and 28th August 1924 and 4th September 1924 and objections and suggestions were invited from the Public as per Rule 48 (2) of the Municipal Regulation. The objections and suggestions received in respect of the said bye-laws are briefly as follows:-

(1) Messrs Abdul Razak and Mahemed Yakoob & others.	Objection relates more to the levy of duty on tobacco, stem leaf &c., than to the draft bye-laws under reference.
(2) The Imperial Tobacco Co. of India Ltd, Madras.	State that the introduction of the system of taking licenses in addition to the payment of Octroi duty on tobacco will have the effect of decreasing sales,

	resulting in the loss of revenue and suggest that if Octroi be done away with altogether or any how substantially reduced and a system of licenses introduced, it would increase the revenue and put an end to the smuggling prevalent.
(3) Messrs.Krishnaswamy chetty & Son and others,Mysore.	State that Octroi on tobacco and cigarettes may be abolished and the proposed system of licensing merchants be so amended as to increase the license fee which may cover the revenue derived from the levy of Octroi.

Copies of objections mentioned above are herein enclosed.

2. After considering these objections, the Municipal Council have approved of the bye-laws and a copy of their Resolution No.149 dated 29th November 1924 is appended hereto for reference.

3. It may be mentioned here that the Council are in favour of reducing the Octroi duty on tobacco from Rs.3 to Rs.2 as an experimental measure for one year and steps are being taken to amend the schedule of taxes with the sanction of Government.

4. I request that you may be so good as to submit the said draft bye-laws to Government and obtain their sanction thereto.

I have the honour to be,

Sir,

Your most obedient servant,

President.
